The World War II destructed thousands of cities and billions of lives. ~~But~~ we must. Many people don't remember about frightening things which happened during the war. But we mustn't forget about it.

That is why I want to tell you about Zhukov's monument. Zhukov is one of the greatest people who defended our Motherland. Looking at the monument we can see Zhukov sitting on a horse. The monument is located at the Red Square in Moscow. Zhukov was one of the main figures in the World War II. He was managing soldiers <sup>during</sup> the Moscow battle. Thanks to his talent the city was not destructed, but defended. Russians know and respect the great person. I have seen the monument this autumn. I visited Moscow in September. My parents and I were ~~at~~ the Red Square. The Zhukov's monument is really big and beautiful, many tourists stop near ~~the~~ it to take a photo. I would recommend to visit Zhukov's monument because such monuments make us remember the terrible history and the great men who defended the World.

In 2020 we will celebrate ~~the~~ 75<sup>th</sup> anniversary of the ~~Viet~~ Great Victory.

No one wants the war to happen, so let's make it not.

I would like to give a short description <sup>of</sup> about one monument, which is located in centre of the Russian Federation - Moscow. Let me start by saying that our country won World War II 45 years ago. In 2020 will be 75 years from the Great Victory. (45)

I would like to give a short talk about "Unknown soldier's grave". It is a monument in Moscow, which is devoted to World War II. This monument looks like a brown grave with green laurel branches and big grey soldier's helmet. (85)  
In the center of the memorial "Unknown soldier's grave" there is a frame with description: "Your name is unknown". This great monument is located in a centre of Moscow nearly the Red Square. I would like to recommend <sup>to visit</sup> this monument to foreign tourists to look on the Eternal Flame, beautiful Russian trees, which is nearly this monument and (145) Russian squares. Red Square - is a symbol of Russian Federation and foreigners should to see this symbol and take a lot of photo with them. As for me, I visited Moscow last summer and ~~took~~ lots photo with this monument. Also my parents took photo with me. It is a very beautiful photographs. It is all I wanted to say. (215)
